

# THE FOURTH ALGERIAN CONFERENCE ON ASTRONOMY AND ASTROPHYSICS, 2017

Science for the National Aurès Observatory: Time Domain Astrophysics in the Multi-Messenger Era

March 27-29, 2017, at the University of Khenchela Abbes Leghrour, Algeria

## ACAA17

We have the pleasure to announce the fourth edition of the Algerian Conference on Astronomy and Astrophysics (ACAA), which will be held at Abbes Leghrour University (Khenchela, Algeria) between March 27th and March 29th, 2017.

ACAA is organized by the Research Center in Astronomy, Astrophysics and Geophysics (CRAAG, Algiers, Algeria) in partnership with the University of Khenchela Abbes Leghrour and with the support of the General Directorate of Scientific Research and Technological Development and the Wilaya of Khenchela.

It aims at providing the astronomy and astrophysics community with the necessary environment to discuss research and scientific trends, with an emphasis on time domain astrophysics (Gravitational Waves, Gamma Ray Bursts, Supernova) in the multi-messenger era, all in the context of the future Aurès Observatory.

## Participation

If you are interested in attending the conference, please fill up the registration form. Participants are urged to present a research work related to one of the conference topics. However, if one desires to register as a free participant, we inform you that this is also possible but with limited seats.

All papers will be published in proceedings, more information about the proceedings will be available in the future.

The seminar will last for a total of 3 days, the last day of which will be devoted to an excursion to the future site of the Aurès observatory.

	Amount
Researcher	12000 DA
Student	2000 DA

### Important Dates

February 19, 2017	Abstracts submission deadline.
February 27, 2017	Abstract acceptance notification.
March 26, 2017	Venue.
March 27, 2017	First day of the conference.
March 29, 2017	Last day of the conference.
June 15, 2017	Full papers submission deadline.

### Registration steps

1. By clicking **ATTEND** below, you'll be redirected to the registration page
2. At the registration page, you will be prompted to provide your personal information, arrival details and information related to the work you wish to communicate during the conference
3. The scientific committee will then study your request and the result will be communicated to you
4. You will then receive an event registration link so as to finalize your registration to attend the conference
5. Your name will be added to the attendee list of the ACAA17 conference
6. Registration fees will be paid upon arrival at the conference location

### The fees include

Access to all conference sessions  
Lunches, coffee breaks and dinner  
Excursion (3rd day)  
Lodging (hotel)  
Shuttle bus services

### The fees do not include

Visa expenses  
Flight ticket  
Private transportation  
Telecommunication use  
Personal Insurance
