

Institut Des Sciences Et Techniques Appliquées(ISTA)

Année Académique: 2023/2024      Domaine: Sciences et Technologies  
Filière: génie mécanique  
Spécialité: génie mécanique (prof)  
Niveau: Licence 2ème Année      Arrêté d’habilitation de l’offre de formation: N°1514 du 17/09/2019

PV de délibération Semestre 3 - 2023/2024 (Session :Normale)

|                                  |              | A00F0001S                       |                               |                                |                    |                                          |            |           | A00M0001S                     |                                   |                                  |                              |                        |            |           | A00T0001S       |                                          |                   |                                                   |                                        |            |           |                     |                     |
